Early Spanish Expansion into Indigenous Lands

THE ENCOMIENDA IN NEW MEXICO, 1598-1680 by H. ALLEN ANDERSON

This article describes the “encomienda”, imperial Spain’s colonial policy that institutionalized slavery by allocating ownership of subjugated people and lands to those who participated in the conquest. The article examines the impact of the encomienda on Pueblo Indians and the part the encomienda played in their subsequent revolt in 1680.
